Dear Barry,

On the back are my original notes of my sighting of an Eared Grebe at Marsh Creek S.P. on 4/2/96. The notes were made without any reference to field guides, in fact, I did not have any with me at the time.

I hope Skip Conant has been sending you copies of the Marsh Creek survey forms with sightings by me and others. I have tried to bring him about getting copies to you.

Peace,

John Givener.
