Dear Gene,

We have enclosed the
pledge check for \$20.00
and a picture of the
White Pelican.

During a light rain,
we observed this White
Pelican on April 12, 1995
between 9:30 AM and
12 noon. It was on the
pond catching and
eating fish.

It was on a pond
on the Harmony Baptist
Road just west of the
intersection of Route 65.
That is halfway between
Ellewood City and New
Castle. The pond is
behind a small building
which formerly was a

church, now dean's
carpet is sold there.
The pond is located
on the left hand side
of the road about 200
feet from the inter-
section of Route 65.

When the pelican
flapped its wings we
saw the lower portion
of each wing was black.
It was observed by
Joe & Sara Jane Mc Candless.

Gene, Joe and I
will be unable to
join you on your
trips. Thank you for
your offer.

Sincerely,

Sara Jane & Joe
Mc CANDLESS
