Description	See photos on following e-bird checklists: Lou Carpenter - S11319890 Andy McGann - S11321512 Chris Bortz - S11459461

Ramsay Koury - S11328523(no photos)

Jason Miller - no e-bird submittal but 8/10 posting to PA Birds list serve with photos

Behavior (be as detailed as possible about what the bird was doing)

By pictures, bird appered to be wading/foraging.

Separation from similar species (How you eliminated others)

Photos are diagnostic.

Discussion - anything else relevant to the observation that will aid the committee in evaluating it:

Jason Miller should be credited as original observer. Again, I did not observe the bird.

Are you positive of your identification ? (Why or why not)

Yes, photos are diagnostic.

After

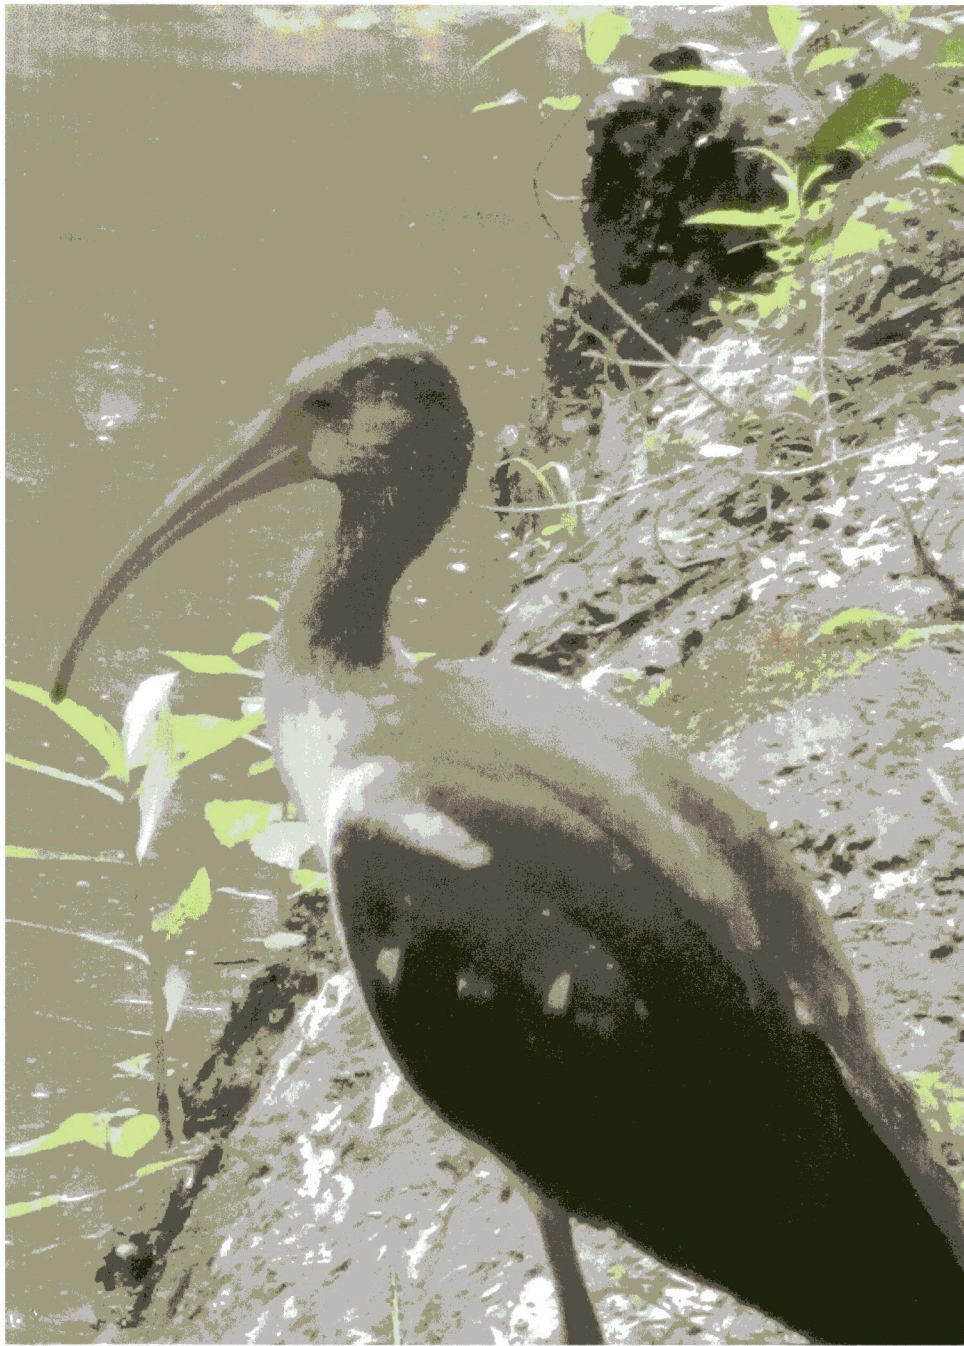

Sibley's Guide to Eastern NA and Birds of Europe, 2nd Edition, Princeton Field Guides, Lars Svensson
