Observer's Address	16 Patton Rd Annville PA 17003 United States
Names of additional observers	Brian Newhouse
Species (Common Name)	Swainson's hawk
Species (Scientific Name)	Buteo swainsoni
Number of individuals	1
Observation Date and Time	05-02-2015 2:20 PM
Did you submit this sighting to eBird?	Yes
County	Lebanon
Location (City, Borough, Township)	N. Londonderry twp.
Exact Site (E.g. Name of park, lake, road)	Patton Rd.
GPS coordinates of sighting	40°21'04.4"N 76°36'29.0"W
Description	See pics included.
Behavior (be as detailed as possible about what the bird was doing)	Trying to avoid attacking crows.
Separation from similar species (How you eliminated others)	I couldn't figure out what it was so I asked for help on ID that PA Bird! Pennsylvania Bird Identification facebook page. People there gave me the ID and Tim Becker Told me he was adding it to county records. He told me to come here and submit it.
Supporting evidence (check all that apply)	Photograph
