Snowy Plover (*Charadrius alexandrinus*) (Linnaeus) 257-01-1886

Season: Accidental.

A specimen in the Reading Public Museum, originally labeled "Piping Plover (*Charadrius melodus*)" taken near "The Pinnacle," Berks County June 29, 1886, by Mengel, proves to be of this species. This specimen should probably be referred to the southern race, *C. a. tenuirostris* Lawrence.
