

874-01-1994

March 4, 1994

Dear Joan:

Enclosed is
the photo of the Bullock's
oriole that we observed
in our yard from Jan
8 to the 18, 1994. It
seemed to eat mostly on
Jack Hobbs' seeds
and bird feed and some
millet. I have several
other photos but this
one seems to be the
best.

Sincerely
Norman Rejski
