<b>Discussion – anything else relevant to the observation that will aid the committee in evaluating it:</b>	Apparently a first for Green Lane Reservoir. Don't know county status. I saw it again on 3/14. It was seen by others through the 16th.
<b>Are you positive of your identification ? (Why or why not)</b>	Yes-no odd details to discount it. I have seen several over the years locally, so know to look for thicker cream lines on the face as well as the obvious white stripe.
