Number of individuals 1
Observation Date and Time Monday, April 12, 2021 10:20
Did you submit this sighting to eBird? Yes
Link to eBird checklist <https://ebird.org/checklist/S85387571>
County Lancaster
Location (City, Borough, Township) Kirkwood
Exact Site (E.g. Name of park, lake, road) Morrison Mill Road
Habitat Farm, semi open with a wood lot
Distance to bird 100 feet
Viewing conditions Cloudy

Optical equipment used

Nikon D5600 with a 70-300mm lens, Celestron 10x50 Trailseeker binoculars

Description

Small oriole, adult male, bright yellow on belly, black head and back, bright yellow rump patch, two bold white wing bars.

Behavior (be as detailed as possible about what the bird was doing)

Flew in from the woodlot and landed on the top of a tree near the viewing area. Flew from the tree to the feeder area where it landed on a hopper feeder and was eating jelly.

Are you positive of your identification ? (Why or why not) Yes, seen by many others and not a bird we have in PA.
